### All Purpose Cleaner

An ecologically sound, environmentally conscious, all-purpose cleaner, formulated to quickly penetrate, emulsify and remove light to medium soils. The all-purpose cleaning formula has been built to respect the environmental issues of today, including those of water and waste treatment facilities. This product meets Green Seal's environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential

3501 All Purpose Cleaner 4/1gl Case

### Neutral Disinfectant Cleaner

A neutral pH, quaternary disinfectant cleaner formulated to kill a broad spectrum of microorganisms and is a mildewstat on floors, walls and other hard, nonporous surfaces. EPA Reg. No. 1839-169-5741

3502 Neutral Disinfectant Cleaner 4/1gl Case

### Glass Cleaner

Environmentally preferable, quickly removes dirt with minimal effort. Dye and fragrance free. This product meets Green Seal's environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.

3507 Glass Cleaner 4/1gl Case

### Floor Finish Remover

An effective floor finish and wax emulsifier. Specially formulated for use in conjunction with Green Solutions Floor Seal & Finish. Low odor makes it the ideal floor stripper to use in confined areas and where typical strong stripper odor presents a problem.

3505 Floor finish Remover 4/1gl Case

### Industrial Cleaner

A non-toxic, heavy-duty liquid cleaner. Formulated with a super surfactant cleaning system, the concentrate is engineered to quickly remove petroleum-based soils with efficiency. This product meets Green Seal's environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.

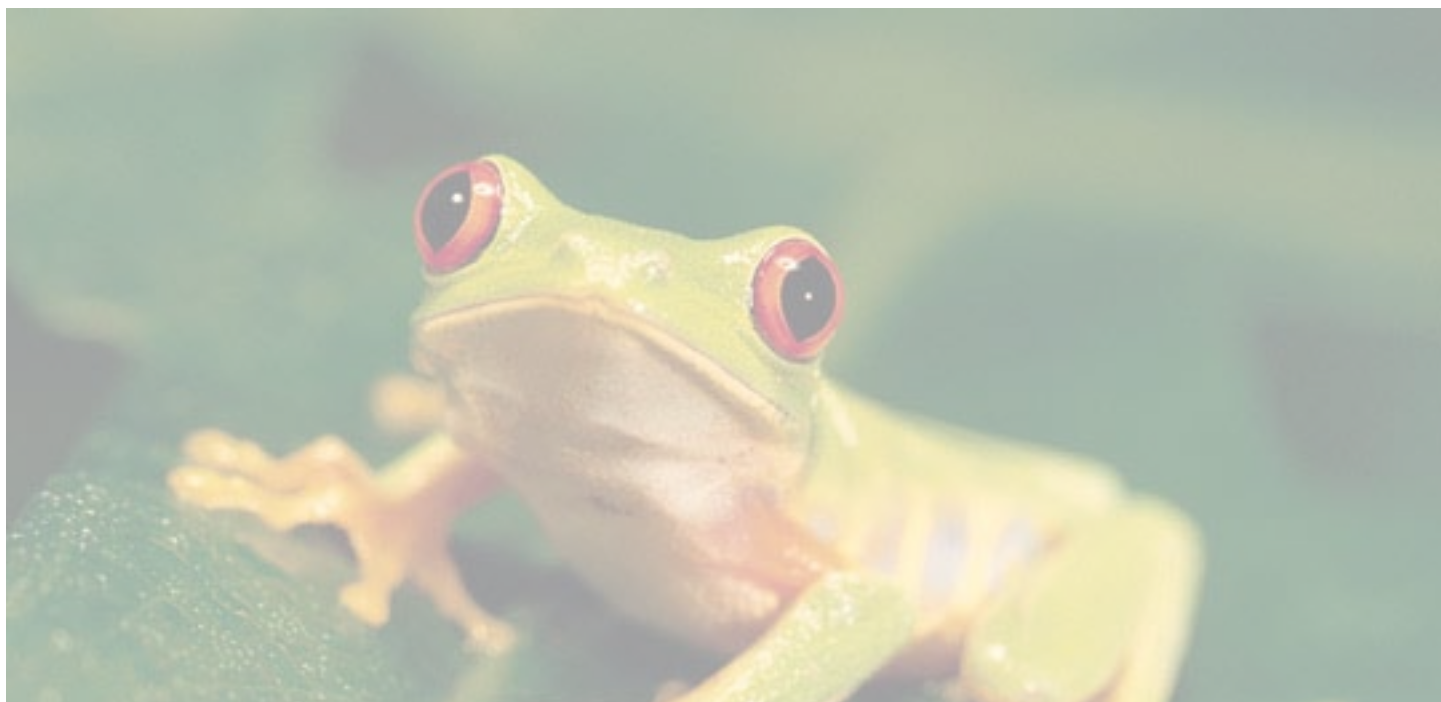

3506 Industrial Cleaner      4/1gl    Case

### Restroom Cleaner 32oz

A natural acid, toilet, urinal, and shower room cleaner. Containing 8% citric acid... the same organic acid found in lemons and limes, provides efficient cleaning action that quickly removes soap scum, water spots and light rust from toilet bowls, urinals and shower room walls and floors.

3530 Restroom Cleaner 32oz      12/32oz      Case

## Towels

### Multifold towels

Innovative towel service surpasses all other folded towel services in performance, value, and economy. Multifold design helps to minimize towel usage. Towels are made from 100% recycled fibers

### C Fold Towels

Soft and absorbent towels. Embossing enhances hand feel and maximum absorbency. High wet strength. Improved product design helps to control usage. 100% recycled chipboard sleeves assures maximum protection and ease of handling. Made from 100% recycled fiber.

### Roll Towels

Roll towels are soft, strong and highly absorbent and offer the perfect combination of quality, performance and value. Embossing enhances hand feel and maximum absorbency. Fewer towels are used per hand dry. Towels are made from 100% recycled fiber.

### Center Pull Towels

High capacity - ideal for high traffic environments.  
 Hygienic - you only touch the towel you use, no cross-contamination from levers or cranks. Portion control - one towel every time. One hand dispensing - ideal for many environments such as workshops and kitchens. Highly absorbent towels for hands, surfaces, and objects. Made from 100% recycled fiber provides environmental benefits and a positive image builder

1420 8" 2ply Center Pull Towel	6	Case
4306 White Multifold Towel	4000	Case

4323 8" White Roll Towel	6/800'	Case
4307 Brown Multifold Towel	4000	Case
1850A Brown Singlefold Towel	4000	Case

## Tissue

### Jumbo Roll

Soft, absorbent one-ply tissue delivers quality, value and performance. Rapid break-up capability. Core is designed to fit virtually all size jumbo tissue dispensers. Smaller case cubes free up about 40% more storage space vs. conventional rolls. Made from 100% recycled fibers.

### Standard Roll

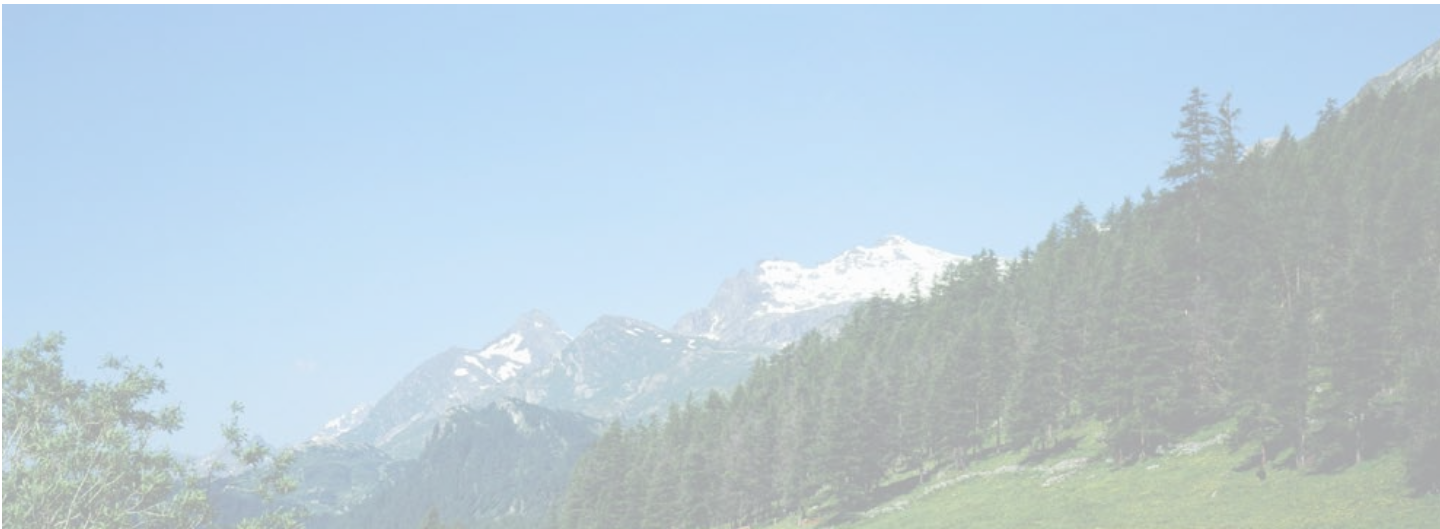

Soft, absorbent economical one-ply tissue. Each roll is overall wrapped, ensuring sanitary protection. Easy start tail seal prevents waste. Longer lasting rolls help to eliminate service outages. Rapid break-up capabilities is ideal for all plumbing systems. Made from 100% recycled fibers.

### Kitchen Rolls

High-bulk, two-ply construction maximizes absorbency for superior spill holding power using fewer towels. Super strong soft towels hold together even on tough jobs. Ideal for cleaning and wiping all surfaces. Standard count gives you twice the toweling. Reduces replacement time, helps eliminate run-out, and saves storage and delivery costs. Made from 100% recycled and meets the EPA compliant (minimum 90% Post-Consumer Content) providing environmental benefits, and a positive image.

## Towels & Tissue

Kimberly-Clark Professional continues to lead the way with product systems that meet both environmental standards and our high standards. Our 100% Recycled Fiber and Process Chlorine Free Products are another example of our commitment to providing quality brand-name products that help preserve our environment while satisfying the needs and preferences of our customers. In addition to our full line of environmentally sound, source reduced washroom products, we now offer a range of products that are both 100% recycled fiber and process chlorine free. All of these products either meet or exceed the stringent requirements of the EPA (Environmental Protection Agency).
